- [L] God's word says love is the greatest so it is. The Bible is not explicit as to why, so anything we say is speculation. In my opinion, when we reach heaven our hopes will be realized and our faith fulfilled. Faith and hope will no longer be necessary, but love will be. Similarly before the creation God loved us enough to bring us into existence, so love existed before faith and hope. In fact it is His love that gives birth to our faith and hope. Perhaps the best reason is what it says in 1st John 4:16, "God is love."
